For single parent living in Clay County, working full-time, making minimum wage (\$8.25 per hour) and with an infant in a child care, they would either pay:

37% of their income before taxes, if their child was in a family child care home

43% of their income before taxes, if their child was in a center

\$8.25 per hour x 40 hours x 52 weeks = \$17,160 before taxes
